Hi! My name's Cade.

I have a very busy week so

I have to stay healthy. That's why

I eat fruit **every day**. We do the shopping **twice a week**, and I always choose the fruit. I don't eat sweets, but I do like cakes and biscuits. I do baking with my mum **once a week**, on Sundays. My hobby is music. I practise my keyboard **three times a week**. My dog, Snapper, doesn't like music and he starts barking. It's really funny! I love Snapper and I go for walks with him **four times a week**.
